## INVITATION TO JOIN CHAZON TEKNA'S 11th ANNUAL GOLF DAY

Greetings from the principal, staff and students of Chazon Tekna  
(NON-PROFIT ORGANIZATION: 201-468 NPO)

Our 11th Annual Golf Day Fundraiser will be held on Friday, 3 May 2019, at Highland Gate Golf and Trout Estate in Dullstroom, Mpumalanga.

The golf day is a fundraiser where our main focus will be assisting Mikayla Oosthuizen who has ARPKD, a rare kidney disease that required her to have a kidney transplant. Mikayla is only 9 years old and lives a wonderfully full life in spite of her disease. She is a joyful, happy little girl who loves to spread good cheer to those around her. She is a good student and always works very hard.

The recent transplant was a huge success and Mikayla is currently recovering at home. She will need to spend another 3 months at home because she has no immune system. During this time her mother will have to stay with her and will not receive a salary which pays for her three children's school fees. Mikayla's medicine also amounts to around R50 000 per month and some of this will not be covered by medical aid.

This event is one of many projects that gathers funds to allow our school to do charitable work in our rural area, Machadodorp in Mpumalanga. At Chazon Tekna our students are taught Christian values which include integrity, compassion and respect. As a Non-Profit Organization we strive to give back to the community through our regular visits & donations to the local Old Age Home, Children's Home and Crèche's in the area.

To make this day a success, we need your assistance. Sponsorship options are attached and we are confident that your company would benefit from sponsoring such a worthy cause. With the help of your company, Chazon Tekna will continue to provide academic excellence and social upliftment to the local community. Through your contribution we will also be able to grow our charitable efforts even further during 2019.
