YOUR FAIRWAY UPDATE

As the days begin to shorten and **golden sunsets** settle gently over the course, we welcome the quiet charm of the **approaching winter season**. There's a certain **calm in the air—crisp mornings**, softer light, and a renewed appreciation for time spent out on the fairways.

HIGHLAND GATE GOLF COURSE CONDITION UPDATE 2

Dear Highland Gate Golfing Community,

Following our update shared in February regarding the impact of the heavy rainfall experienced earlier this year, we are pleased to report that the golf course has made a remarkable recovery.

Through an incredible amount of **hard work and dedication** from our course maintenance team, **significant progress** has been achieved across the course.

A **focused rehabilitation programme** has included extensive overseeding, f**ertilisation of affected areas, and the re- sodding of most of the tee boxes to restore strong and healthy turf coverage.**

A major emphasis has also been placed on the **removal of invasive grasses and weeds**, particularly Kikuyu, which had encroached on certain areas. These efforts are already showing excellent results.

We are delighted to report that we are now receiving **daily compliments** from members and visitors regarding the improving condition of the course. This positive feedback is a testament to the tireless work and pride our team takes in maintaining Highland Gate.

While the progress has been dramatic, our work continues. We **remain committed to restoring and maintaining the course** at the pristine standard that Highland Gate is known for and that our golfing community expects.

Thank you for your **continued support** and for being part of the Highland Gate golfing community.

From the whole Highland Gate team, we thank you.

HIGHLAND GATE GOLF & TROUT ESTATE

Flood Impact Update at Highland Gate

Following the **heavy floods** experienced two weeks ago, holes 12, 13 and 14 have remained **closed over the past week** while essential clean-up operations were carried out.

We are pleased to share that **significant progress** has been made, and we have reopened these affected holes. Work is currently underway to rebuild the damaged bridge between the 12th green and 13th tee.

In the interim, **carts are unable to pass through this section**, however the alternate bridge remains fully operational. We kindly ask all players to **follow the guidance of our marshals and golf staff** to ensure a smooth flow of play, and we **truly appreciate your patience** during this time.

Please note that there is an **allocated area to park your cart** on the right-hand side of the 12th hole, approximately 80 metres short of the green. From there, players will need to walk to the 12th green, then return to their carts and make use of the bridge to drive up to the 13th tee.

HIGHLAND GATE GOLF & TROUT ESTATE

A Word From Ronnie at STM

The **bunker project** is progressing, with work currently focused on the bunker at Hole 5. Recent rainfall has caused some delays, as conditions need to be completely dry before we can continue. All materials are on site, and we're ready to resume as soon as the weather allows.

On the **golf course**, we're pleased to see **strong recovery** in areas previously affected by disease. These sections are coming along really well, with fairways in great condition and tees now about 90% restored. We are continuing with hollow tining and reseeding to **further strengthen** these areas, and **once the new growth establishes**, we expect significant improvement over the next few weeks.

Overall, the damaged **fairways are looking healthy**, and with the cooler weather setting in, conditions are very favourable. The grass responds well to these temperatures, and we're in a strong position heading into Winter.

Club Championships

A heartfelt thank you to all our members who joined us at the Highland Gate Club Championships.

Your sportsmanship, energy and club spirit made it a truly memorable event.

Congratulations to our winners and well played to everyone who took part — we're proud to share moments like these with such a special golfing community.

Golf Experience

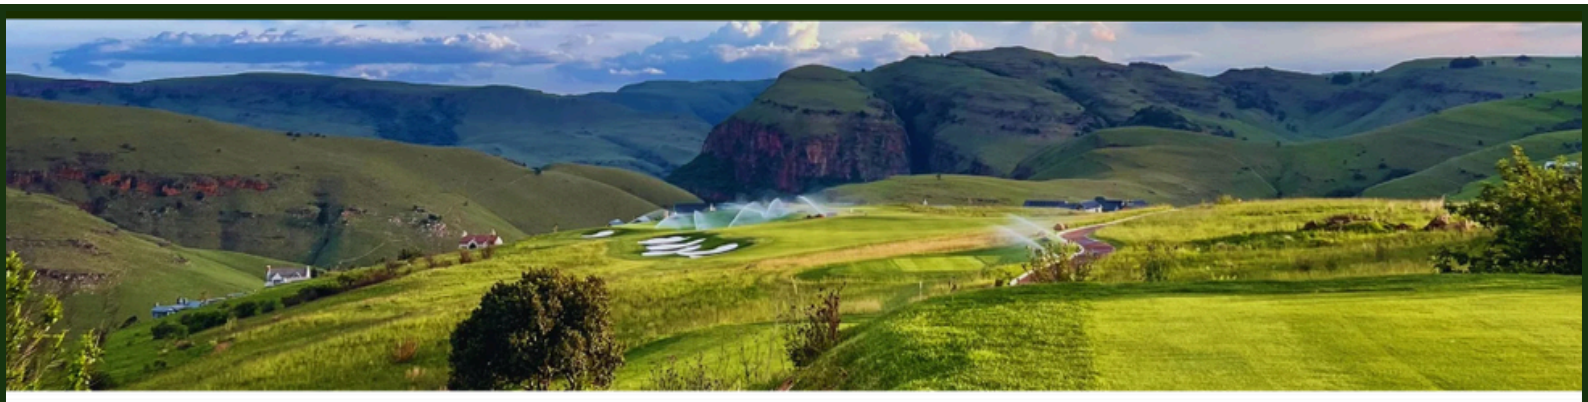

Highland Gate has introduced a seamless **new golfing experience**, designed to make your day on the course as effortless as it is memorable.

From the moment you arrive, a **dedicated bag drop service** ensures your clubs are taken care of, with staff preparing your cart ahead of your round.

After parking, simply **check in at reception**, proceed to the **Pro Shop to settle your booking**, and **collect your cart at the halfway gazebo**.

Enjoy the **added benefit of 20 complimentary range balls** to warm up before play, and be sure to arrive at the **tee box at least 10 minutes before your tee time.**

It's all part of creating a smoother, more enjoyable journey from arrival to first swing.
